MEMORANDUM FOR: Assistant Director for Personnel
25X9A6

SUBJECT: Reimbursement Claim of [REDACTED]

25X9A6 1. This will acknowledge receipt of your memorandum of March 26, 1954, requesting that this office undertake further action in relation to Mr. [REDACTED] claim for refund on expenses incurred during his negotiations for employment with CIA.

25X9A6 2. Before we can cope with this claim with any degree of certainty, it will be essential to assemble as much information as possible concerning it. It would appear from your memorandum and from the correspondence in the file that there are several sources of information which have not as yet been fully explored. For example, it would appear to us a wise procedure to request the several individuals who dealt with Mr. [REDACTED] and who are now out of the country to give us the benefit of their recollection by letter since they are not available for personal conference. It also seems to us that something might well be gained by asking Mr. [REDACTED] to furnish the Agency copies of any correspondence he may have had with officials of the Agency and a detailed account of the affair from his point of view.

3. A suggested form of letter to Mr. [REDACTED] is attached. If you agree with the procedure as outlined above, we recommend that a request for information be dispatched at the same time to those individuals who are now at foreign stations.

25X9A6 4. Your file is returned herewith. When the results of your inquiry are complete, or if Mr. [REDACTED] takes legal action to enforce his claim, we would be happy to review the case again.
